Physical Education News

Physical Education has been a hopping place on Tuesdays.. We have been busy with group problem solving and cooperative activities, soccer skills and drills, indoor rainy day games, parachute activities and tag games. We will soon try handball and speedball along with activities focusing on fleeing and dodging! In a few weeks students will start cross country training for the TURKEY TROT that will take place on November 21st at BES. Families and friends are always welcome to come to this fun and festive event! More information will come home soon. Please help your child to remember to wear sneakers and layers to PE as it will soon start to get chilly. An extra pair of sneakers or socks would be helpful too!
